Pretty Beautiful

The Swon Brothers

There's something about you, your every move
It's like the sun comes up just to shine on you
And you're a wild flower, in a world of weeds
Ain't no doubt about it, you were hand picked just for me

And baby you turn grey to blue
Now what you do is wonderful, wonderful
And you don't you know, that you're so beautiful
Beautiful, you make pretty beautiful
You're beautiful

It ain't what you're wearing, or those diamond eyes
It's the heart that you carry deep inside
Like a mist in the morning, or the midnight rain
You're the love that I want and I want falling down on me

And baby you turn grey to blue
Now what you do is wonderful, wonderful
And you don't you know, that you're so beautiful
Beautiful, you make pretty beautiful

Baby, you're my one in a million
You're the only one that's ever been so beautiful

And baby you turn grey to blue
Now what you do is wonderful, wonderful
And you don't you know, that you're so beautiful
Beautiful, you make pretty beautiful
You're beautiful

Don't you know, don't you know
You're beautiful

There's something about you
Yeah, there's something about you
There's something about you
There's something about you
