

Keep Me

Brendan Benson

Keep me busy, baby.
Keep me satisfied.
Keep me coming back for more.
Keep me on a leash.
Keep me close at heart.
Keep me face down on the floor.
Keep me guessing, baby.
Keep me in the dark.
Keep me under lock and key.
Keep me anyway you want
just don't ever set me free.
Keep me buzzin', baby.
Keep me company.
Keep me hangin' on the line.
Keep me out of reach.
Keep me out of sight.
But always keepin' me in mind.
Keep me on the shelf.
Keep me under glass.
If only just for show.
Keep me anyway you want
but don't ever let me go.
All of my life, all of the time
I've been cast out. Left out.
Kicked to the curb
only to hear a discouraging word.
Keep me guessing, baby.
Keep me in the dark.
Keep me under lock and key.
Keep me anyway you want.
Keep me just the way you want.
Keep me anyway you want.
Don't set me free.
