

And Now We Sing (with Holly Brook)

Duncan Sheik

And now we'll sing of drowning things
No wondering what might have been
Upon that ship, we played the popular songs
Some sang along, now all that's gone
Thrown below the raging tides
We hope to rest, we're tonight
So now we haunt the ocean side
Live this pale, eternal life
And now you're here and so we'll pass the tide
Secret's ours and phantom wine
And now it seems so long ago
Once we lived, but didn't know
Every life is quite a show
With answered prayers and tales of woe
