God's Love

Ekolu

Strikin' at mental apparitions
Like a drunk on a vacant street
Silently beset by the hands of time
Indelicate in its furyAn aberrant crack as skeletons yield
To unrelenting gravity
While viruses prowl for helpless victims
Who succumb rapidlyTell me
Tell me where is the love?
In a careless creation
When there's no above
There's no justice
Just a cause and a cure
And a bounty of sufferin'
It seems we all endure
And what I'm frightened of
Is that they call it, God's loveWhen twisted torment, make believe
There's a truth and we all submit
Believe my eyes, my brain replies
To all that they interpretSo tell me
Tell me where is the love?
In a careless creation
When there's no above
There's no justice
Just a cause and a cure
And a bounty of sufferin'
It seems we all endure
And what I'm frightened of
Is that they call it, God's loveI know there's no reason for alarm
But who needs perspective
When it comes to pain and harm
We can change our minds
There's a better prizeBut first, you've got to tell me
Tell me where is the love?
In a careless creation
When there's no above
There's no justice
Just a cause and a cure
And a bounty of sufferin'
It seems we all endure

And what I'm frightened of
Is that they call it, God's love
They call it God's love
My pain is God's love
