

# God's Love

## Ekolu

Strikin' at mental apparitions  
Like a drunk on a vacant street  
Silently beset by the hands of time  
Indelicate in its furyAn aberrant crack as skeletons yield  
To unrelenting gravity  
While viruses prowl for helpless victims  
Who succumb rapidlyTell me  
Tell me where is the love?  
In a careless creation  
When there's no above  
There's no justice  
Just a cause and a cure  
And a bounty of sufferin'  
It seems we all endure  
And what I'm frightened of  
Is that they call it, God's loveWhen twisted torment, make believe  
There's a truth and we all submit  
Believe my eyes, my brain replies  
To all that they interpretSo tell me  
Tell me where is the love?  
In a careless creation  
When there's no above  
There's no justice  
Just a cause and a cure  
And a bounty of sufferin'  
It seems we all endure  
And what I'm frightened of  
Is that they call it, God's loveI know there's no reason for alarm  
But who needs perspective  
When it comes to pain and harm  
We can change our minds  
There's a better prizeBut first, you've got to tell me  
Tell me where is the love?  
In a careless creation  
When there's no above  
There's no justice  
Just a cause and a cure  
And a bounty of sufferin'  
It seems we all endure

And what I'm frightened of  
Is that they call it, God's love  
They call it God's love  
My pain is God's love
