

# Wonder Why

Melinda Doolittle

I wonder why I'm not myself off late  
I'm feeling strangely great, I wonder why  
I suppose some genius could explain  
Why I walk in the rain, just let him try I guess there is a simple explanation  
Unless I've come up with a new sensation  
It could be that he's caught up with me  
And all the mystery I'm speaking of  
Is simply that I went and fell in love I guess there is a simple explanation  
Unless, unless I've come up with a new sensation  
It could be that he's caught up with me  
And all the mystery I'm speaking of  
Is simply that I went, it's simply that I went and fell  
It's simply that I went and I fell in love
