

# The Answer

## Shane & Shane

I've tried more of me  
And I've come up dry  
Trading You for things  
Things that go away  
My happiness is found in less  
Of me and more of You  
My happiness is found in less  
Of me and more  
I have found the answer  
Is to love You  
And be loved by You alone  
Alright, alright, alright  
You crucify me and the world to me  
And I will only boast in You  
Alright, alright, alright  
Also satisfied  
At the thought of You  
Growing up in me  
Covering everything  
My happiness is found in less  
Of me and more of You  
My happiness is found in less  
Of me and more  
I have found the answer  
Is to love You  
And be loved by You alone  
Alright, alright, alright  
You crucify me and the world to me  
And I will only boast in You  
Alright, alright, alright, yeah, yeah  
You are, You are  
You're the loved by me  
You are, You are  
You're the loved, loved me  
You are, You are  
You're the loved by me  
You are, You are, You are  
And I have found the answer  
Is to love You  
And be loved by You alone  
Alright, alright, alright  
You crucify me and the world to me  
And I will only boast in You, and I will  
Alright, alright, alright, yeah
