## Theatres Des Vampires

(Words taken from "Dreamland", by Edgar Allan Poe, and last sentence taken from "Dracula", by Bram Stoker)"By a route obscure and lonely,

    Haunted by ill angels only,  
    Where an Eidolon, named night,  
    On a black throne reigns upright,  
I have reached this lands but newly  
    From an ultimate dim Thule,  
From a wild weired clime that lieth, sublime,  
    Out of SPACE, out of TIME.  
    By the dismal tarns and pools  
    Where dwell the Vampires,  
    By each spot the most unholy,  
In each nook the most melancholy;  
    There the traveller meets aghast  
    Sheeted memories of the past,  
Shrouded forms that start and sigh  
    As they pass the wanderer by.  
    By a route obscure and lonely,  
    Haunted by ill angels only,  
    Where an Eidolon, named night,  
    On a black throne reigns upright,  
I have wandered home but newly  
    From this ultimate dim Thule." "For the dead travel fast."
