

# Muah

## Elekrik Red

Bet you never had nobody like this  
Had lipstick kiss like this  
Girls come with the drop of a dime  
But their candies ain't quite like mine  
See I got this little thing that I do  
If you were my man I would do it to you  
Thanks for the drink but you better move  
'Cause I'm up in here with two  
And I'm the shit with the shit, shawty  
I'm the shit with the shit, shawty  
I'm the shit with the shit, shawty  
I'm the shit with the shit  
I know what I'm doin' with this shit  
'Cause I'm the shit with the shit, shawty  
I'm the shit with the shit shawty  
I'm the shit  
Mmm muah, mmm muah, mmm muah  
Mmm muah, mmm muah, mmm muah  
Now tell me what you really gonna do with that  
Never seen a girl with an ass so fat  
I'm not a striper but I dance like that  
I'm not a striper but where the money at  
I'm not a freak, I'm not a nasty hoe  
Well, I'm lyin' but I'm classy though  
I'm like you I wanna get, get, get it  
To the bedroom hit, hit, hit it  
I'm not a dits, I got a brain  
You saw my titties before you see my face  
It's all good nigga, don't be ashamed  
I would feel the same 'cause I know you know  
And I'm the shit with the shit, shawty  
I'm the shit with the shit, shawty  
I'm the shit with the shit, shawty  
I'm the shit with the shit  
I know what I'm doin' with this shit  
'Cause I'm the shit with the shit, shawty  
I'm the shit with the shit, shawty  
I'm the shit

Mmm muah, mmm muah, mmm muah  
Mmm muah, mmm muah, mmm muah  
Mmm muah, mmm muah, mmm muah  
Mmm muah, mmm muah  
I'm havin' that hey, hey, hey and I know you had plenty  
But you know I had to come and put it on you this way  
And it ain't no shame if I don't give anythin'  
That means I love you babe, anythin' for you baby  
I got you going crazy  
Love, love love  
Love, love love  
I'm the shit with the shit  
I'm the shit with the shit  
I'm the shit with the shit  
I'm the shit with the shit  
I know what I'm doin' with this shit  
'Cause I'm the shit with the shit  
I'm the shit with the shit  
I'm the shit  
Mmm muah, mmm muah, mmm muah  
Mmm muah, mmm muah, mmm muah  
I got you crazy, I got you crazy  
Yeah, I know just what you want  
And I'mma give you what you want  
I got you crazy  
Crazy, crazy, crazy, crazy, crazy  
I got you crazy
