

Get Your Roll On

Cash Money Records

Ooh, what, what, what, ooh, yeah
I fuck these hoes after our shows
Big dicks we slang, freak bitch, do ya thang
(Do yo thang)

Benz, Vest, Hummers, Jets
Rolex, Mosettes, television head rest

Twenty inches, nothin' less

Everyday iced out

Nigga play lights out

M period fresh hammer

Yo wife is my baby mama

Goddamn motherfucker

She's uh, good dick sucker

What the fuck, hold on everybody

(Scribbles)

Get yo' roll on

Everybody get your roll on

Everybody get cha motherfuckin' roll on, what

Everybody get your roll on

Everybody get cha motherfuckin' roll on, what

Everybody get your roll on

Everybody get cha motherfuckin' roll on, what

Everybody get your roll on

Everybody get cha motherfuckin' roll on, what

Beatrice, bitch please

You know who I be

Nothin' else, none other

The number one stunner

Nigga I pimp hoes

Fuck toss, flip hoes

Show them bitches no love

Ridin' two G lacs on dubs

Ounces, quarters, halves, bricks

Nigga I done sold all that shit

As soon as my tour stop

Bought five Bentley Zoras props

TV's must, buttons must

CMB, platinum plus

What the fuck, hold on

(Scribbles)

Everybody get yo' motherfuckin roll on
Everybody get your roll on
Everybody get cha motherfuckin' roll on, what
Everybody get your roll on
Everybody get cha motherfuckin' roll on, what
Everybody get your roll on
Everybody get cha motherfuckin' roll on, what
Everybody get your roll on
Everybody get cha motherfuckin' roll on, what
I like loud pipes, big rims, mo ice
V-twelves or better
No, it's strictly leather
Play station DVD's
Don't worry about yo bitch
She comin' wit' me
Leavin' stickers on the Bentley
To show the price
Arm out the windows
Just to floss my ice
Fresh, wait, hold up
That's that bitch we fucked
Nigga what yo bank 'bout
Dog I've been lost count
Pop that Kriss, pop that moe
Slam that bitch, punch that hoe
What the fuck, hold on
Everybody get your motherfuckin' roll on
Everybody get your roll on
Everybody get cha motherfuckin' roll on, what
Everybody get your roll on
Everybody get cha motherfuckin' roll on, what
Everybody get your roll on
Everybody get cha motherfuckin' roll on, what
Everybody get your roll on
Everybody get cha motherfuckin' roll on, what
