

Great and Glorious

ALM: UK

Everything I am I give You
All I hold inside is for Your praise
It's all for You
All my life to You surrendered
All I have I give to You alone
It's all for You
It's all for You, It's all for YouMy soul sings my soul sings
Hallelujah
God great and glorious You are
God great and gloriousMy soul sings, my soul sings
Hallelujah
God great and glorious You are
God great and glorious You areAll the worlds that You've created
Burst to life in beautiful display
It's all for You
Earth and sky to You surrender
All creation rises at Your name
It's all for You, It's all for You
It's all for YouYou created the heavens high
By Your power the earth and sky
God Your love lit the starry night
King of ages Jesus ChristSo we sing praise praise praise to God on high
So we sing praise praise praise to Jesus Christ
So we sing praise praise praise to God on high
So we sing praise praise praise to Jesus Christ
