

# Search & Destroy

## Iggy Pop

Im a street walking cheetah with a heart full of napalm  
Im a runaway son of the nuclear a-bomb  
I am a worlds forgotten boy  
The one who searches and destroysHoney, gotta help me please  
Somebody gotta save my soul  
Baby, detonate for meLook out honey 'cause I'm using technology  
Aint got time to make no apology  
Soul radiation in the dead of night  
Love in the middle of a firefightHoney, gotta strike me blind  
Somebody gotta save my soul  
Baby, penetrate my mindAnd Im the worlds forgotten boy  
The one whos searchin, searchin to destroy  
And honey, Im the worlds forgotten boy  
The one whos searchin, only to destroyLook out honey 'cause Im using technology  
Aint got time to make no apology  
Soul radiation in the dead of night  
Love in the middle of a firefightHoney, gotta strike me blind  
Somebody gotta save my soul  
Baby, penetrate my mindAnd Im the worlds forgotten boy  
The one whos searchin, searchin to destroy  
And honey, Im the worlds forgotten boy  
The one whos searchin, searchin' to destroyForgotten boy, forgotten boy  
Forgotten boy, said hey forgotten boy  
[Incomprehensible]
