

# All This Time

[Michelle McManus](#)

This time yesterday I thought I was gonna die  
Standing at the edge of my ordinary life  
Now I'm looking far ahead I only see clear blue skies  
I hope this feeling lasts me until the end of time  
Now I don't see the things that bring me down like I used to  
(Noooo)  
There were times we felt like giving up but we came through [Chorus]  
All this time we've come a long long way  
I've waited a lifetime for the day  
I'm praying this moment's here to stay  
All this time when every one else said I was wrong  
You gave me a reason to be strong  
You gave me the will to carry on  
All this time. You kissed my blues away  
Now yesterday's far behind  
And all these clouds of doubt have cleared around my mind  
Now I'm looking far ahead and looking with brand new eyes  
Well I can't see the future but I know it's looking bright  
Never thought we could survive what we've come  
through  
There were times we felt like giving up but we held true [Chorus]  
It's like a second chance at life  
So many people pass it by  
Even try  
With every battle that's been won  
With every little thing I've done  
What I couldn't see is now clear to me [Chorus]
