

Lost My Faith

[Seal](#)

We both know that the harder we try
Can't understand it
We're so caught up in the reasons why Station to station
And we couldn't even say their names
I realized it, it's just a game I had lost my faith, long ago
I had lost my faith, long ago I can't see, that if I stay close to your side
All of my pressures now, I know they will subside If ever you need me, yeah, all you gotta do is fall
I hear you sayin' that you got it all I had lost my faith long ago
I had lost my faith long ago The stranger sold her sins, I lie here for your touch
But what I'd like to know is why do I want you so much
They say that's all the same All through my life I have waited for you
And have you waited too I had lost my faith long ago
I had lost my faith long ago
I had lost my faith long ago
I lost my faith, I lost my faith, I lost my faith Oh Lord, can I [Incomprehensible]
