You Remain

Corby Lacroix

VERSE 1:
Unexplainable, veiled in blinding glory (You are)
Enthroned above in timeless reign, You remain
Undeniable, glory now unfolded (You are)
Dwelling in these jars of clay, You remain

CHORUS:
How deep, how wide
Is the love that we proclaim
How long, how high
Is the love that You sustain
You remain, forever the same

VERSE 2:
Unavoidable, desired of every nation (You are)
Yesterday, today, always, You remain, you remain

VERSE 3:
Uncontainable, uncontrollable (You are)
When all around my soul gives way
You remain, You remain, You remain, You remain, forever the same
