Praise You Forever

Marvin Sapp

Oh, ohh, ohh, ohh, ohh
Oh, ohh, ohh, ohh, ohh, ohh, ohh
I will praise you forever
Forever and a day
How long is forever?
I will find out because I will stay
In your presence
(Forever)
Singing forever
Forever and a day
'Cause I'm dedicated
To giving you all of the praise
Ohh, I will forever be in awe of your glory
(Glory)
(I am searching for)
More of you, oh, Lord
(I am thirsty for)
A touch from you, oh, Lord
I'm waiting to spend my whole life
Loving you forever, loving you forever
I will seek you forever
Forever and a day
And when you speak to me
I will follow whatever you say
In your presence
(Forever)
Dancing forever
Forever and a day
And, Lord, I will follow
Every word that I hear that you say
Ohh, I will forever be in debt of your goodness
(Goodness)
1,2,3,4
(I am searching for)
More of you, oh, Lord
(I am thirsty for)
A touch from you, oh, Lord
I'm waiting to spend my whole life
Loving you forever, forever

And I'm grateful
(Grateful)
Forever
(Forever)
Faithful
(Faithful)
Forever
(Forever)
Grateful
(Grateful)
Forever
(Forever)
Faithful
(Faithful)
Forever
(Forever)
Ohh
(I will forever be in awe of your glory, glory)
(I am searching for)
More of you, oh, Lord
(I am thirsty for)
A touch from you, oh, Lord
Waiting to spend my whole life
Loving you forever
(I am searching for)
More of you, ohh, Lord

(I am thirsty for)
A touch from you, oh, Lord
Waiting to spend my whole life
Loving you forever
(Grateful forever)
(Faithful forever)
Loving you forever
(Grateful forever)
(Faithful forever)
I'm grateful
(Grateful)
Forever
(Forever)
You're faithful
(Faithful)
