

Fool Like You

Kovacs

Left for dead but still alive
Couldn't you find me
A lot of years, alot of cries
Too horrifyingStill I wait till you arrive
Constantly pining
A liberty to live a lie
Have you erased meToo busy to call me, to hold me
Did you ever really want meDon't you wanna know
If my heart's been broken
Will I ever know
Of your love unspoken
True that my eyes are blue
Quite the same as you
Would you want me to
Be a fool like you
A fool like youYou can't pretend I don't exist
Rewind the memories
You'll never hear of my first kiss
With love sincerelyI learned to fight things on my own
Without protection
I know that there's no coming home
You did erase meToo busy to call me, to hold me
Did you ever really want me
Don't you wanna know
If my heart's been broken
Will I ever know
Of your love unspokenTrue that my eyes are blue, quite the same as you
Would you want me to
Be a fool like you
A fool like youIf I act like you
I'd hide from all my troubles too
If I'd be like you
I would be the same old foolIf my heart's been broken
Will I ever know
Of your love unspokenTrue that my eyes are blue, quite the same as you
Would you want me to
Be a fool like you
A fool like you, a fool like you
A fool you knew, a fool you knew
