Run Away

Breve

Come run away with me
We can bury our tears in the sea
And leave sadness right there on the shore
If you would give me your hand
We could write our names in the sand
And we'll smile like we used to beforeWe don't have to talk about it
We don't have to think and we can
Go to a place outta time and space
And maybe there we can laugh about it
We'll laugh like beforeChorus
Just take my hand
And run away, run ,runaway
Just take my hand
We'll run, run, run....Nobody else needs to know
Its our secret wherever we go
We can pack up the car and escape
Or maybe we'll sail away
We can be someone else for the day
When the pain is just too much to takeWe don't have to talk about it
We don't have to think and we can
Go to a place outta time and space
And maybe there we can laugh about it
We'll laugh like beforeOhhhhhh ooohJust take my hand
We'll run, run, run....
Just take my hand
And run away, run ,runaway
Just take my hand
We'll run, run, run....Chorus
Just take my hand
And run away, run ,runaway
Just take my hand
We'll run, run, run....We can live like runaways
We can live like runaways
We'll run away 4x
