

Shoot (feat. Maynard James Keenan)

Carina Round

SHOOT
Alone on the edge of something
Surround me a simple shell, you
In the forest frozen people
Dumbfound me, you found me
I feel a shoot
I feel a thunderbolt
Under my body
I feel shoot
I feel a thunderbolt
the entrance of your soul
Come with me falling through the red clouds helplessly
Come kiss me so that I can read your lips
I feel a shoot
I feel a thunderbolt
Under my body
I feel a shoot
I feel a thunderbolt
The entrance of your soul
Telling stories, all to hide the stories you cannot tell
Broken hearts and razorblades, the wreck of the tortured combination
Tell me stories, all to hide the stories you cannot tell
Let me reach the stars so i might slip into answers beyond this constellation
Shoot you striptease heart
In sight, a limelight
