

# Three Little Words

## The Applejacks

Iâ€™m gonna send my love today  
Right to you and say  
With three little words, I love you

I'm gonna send one tender kiss  
To your tender lips  
Those three little words, I love you

When love is far away, every day seem longer  
But as I write, to you, today  
My love grows stronger

Iâ€™m gonna send my love today  
Right to you and say  
With three little words, I love you

I'm gonna send one tender kiss  
To your tender lips  
The three little words, I love you

When love is far away, every day seem longer  
But as I write, to you, today  
My love grows stronger

I'm gonna send my love today  
Right to you and say  
The three little words, I love you  
I love you  
I love you
