

Leave the World Behind (feat. Deborah Cox)

Swedish House Mafia

People, can you hear me?
Here's a message that I'm sending out.
I've got the answer to all your problems
and tonight I'll be singing it loud. Just surrender yourself to the rhythm,
with your hands up in the sky.
Feel the energy deep inside your system,
and leave this world behind! Leave the world behind you
Leave the world behind you
Leave the world behind you
Leave the world behind you
Leave the world behind you
Leave the world behind you
