

# Lionheart

## PUP

Oh Lionheart  
Where have you gone  
    All that you said  
    But you always lied  
Oh Lionheart  
    Oh lion blood  
    Flow through my veins  
    You said you'd try  
If I promise to do the same  
    Oh Lionheart  
    Oh LionheartGood luck  
        And bad times  
        Let's get fucked  
        Let's get high  
        Good luck  
        But don't smile  
        Cause I know  
You got a Lionheart  
    Oh Lionheart  
    Oh Lionheart
