

# On a Day Like Today

Keane

On a day like today  
I looked at you and I saw something in the way  
You stared into the sky I saw you were sick and tired of my wrong turns  
If you only knew the way I feel  
I'd really love to tell you but I could never seem to say  
The things I needed to  
On a day like today no other words would do I saw you were sick and tired of my wrong turns  
If you only knew the way I feel  
I'd really love to tell you but I can never find the words to say  
And I don't know why I can't find the words to say  
And I don't know why I can't find the words to say  
And I don't know why I can't find the words to say  
And I don't know why And I don't know why  
And I don't know why  
And I don't know why I saw you were sick and tired of my wrong turns  
If you only knew the way I feel  
I'd really love to tell you but I can never find the words to say  
And I don't know why I can't find the words to say  
And I don't know why
