

The Puppy Song

Harry Nilsson

Dreams are nothing more than wishes

And a wish's just a dream, wish to come true
If only I could have a puppy, I'd call myself so very lucky
Just to have some company to share a cup of tea with me
I'd take my puppy everywhere, la, la, la, la I wouldn't
care

Then we'll stay away from crowds with signs that say no dogs allowed

Oh we, I know he'd never bite me, we, I know he'd never bite me
If only I could have a friend who sticks with
me until the end

And walk along beside the sea to share a bit of moon with me
I'd take my friend most everywhere, la, la, la, la I
wouldn't care

And we'll stay away from crowds with signs that say no friends allowed

Oh we, we'd be so happy to be, we, we'd be so happy to be together
But dreams are nothing more than wishes
And a wish's just a dream, you wish to come true
Dreams are nothing more than wishes

(Your wish will come true)

And a wish's just a dream

(Your wish will come true)

Your wish to come true

(Your wish will come true) Your wish will come true

Your wish will come true

Your wish will come true
Dreams are nothing more than wishes

(Your wish will come true)

And a wish's just a dream

(Your wish will come true)

Your wish to come true

(Your wish will come true)
