

Crazy Abc's

Barenaked Ladies

Hey Steve, hey Ed, that sounds nice, what is it?
Thank you, it's a, it's an alphabet song I'm working on
Oh great, a whole new alphabet, I just learned the old one
A is for aisle, B is for bdellium, C is for czar
And if you see him would you mind telling him?
Okay, hang on a second, yeah aisle, bdellium?
Yeah, aisle like a, like a theater, alright, okay and bdellium?
Bdellium, it's a gum like tree resin, it starts with a silent B
And then czar? Yeah, it's uh like a Russian czar
You know everybody knows apple, ball and cat
I wanted to get into some, you know some stranger words
Right, I see what you're doing
D is for djinn, E for Euphrates
F is for fohn, but not like when I call the ladies
I thought phone started with a P like a Ph
No, it's F O H N, it's a, it's a kind of wind
Yeah, I know what you mean by wind
G for gnarly, I for irk, H is for hour
J for jalape
