

In My Life (Feat. Avery Storm & Mase)

Nelly

[Ma\$e]

Yo, Turn the mic up

I haven't been in here in 5 years

And keep the lights on

We got company[Nelly]

Yeah

Uh Uh

Yea

OK

I don't think they gon' really understand this one right herre man

Not at all, not at all

We got a special guest in the house tonight

Who is that?

But first h[Nelly]

You see though I ain't the one that'll pay for your phone

Way you looking ma

I might just pay for your home

Right out the ceremony give you the throne

Put you somewhere you know birds can't comeI don't want to be your man boo

I want to be the one

To get inside your brain

And give you my last name

I swear I can change

I put that on everything

You ain't happy while happy wit me boo

Then gimme the blame

Different color ring for everyday of the week

You can go on and set it up for me n pops to meet

Cause I'ma ask him for you hand

And show that I'm a man

(What if he say that you cant)

I'ma tell him my plans becauseMe and you was meant to be as one now

Me and you we gon have sum fun now

Me and you from sun up to sun down

Me and you that's one thing I know for sure[Chorus]

I still love you

I still want you

(Ladies and gentlemen!)

I still need you

in my life

In my life[Ma\$e]

I heard your hear to change the game again[Ma\$e]
Mason Betha heaven sent[Nelly]
No game can change what you represent[Ma\$e]
You can't call me with no money that I never spent
They don't make planes to go where I never went
I ain't gotta keep sinning to keep spinnin
I prefer pink dice and peach linen
I teach these women what they in the shirt for
Search yours, find out you really worth more
I change your esteem
You was made for a king
Do he really love you?
He ain't give you a ring
I e-rase the hate
That made you mean
Got you 20 lookin' 50
And you only 18
Then ya slate clean
It's not a fake dream
Bye bye haters
We off for high hatas[Chorus][Nelly]
Me and you was meant to be as one now
Me and you we gon have sum fun now
Me and you from sun up to sun down
Me and you that's one thing I know for sure[Avery Storm]
So girl, tell me is there something I can do to see you
Maybe you can make a lil time for me to meet you
I just gotta tell you what I'm goin' through
Gotta let you know I still love you
there's so many things I want to share with you
so much is there to make me miss you
for what its worth girl
I swear its truth
