

# Dance Floor Anthem

## Good Charlotte

She's going out to forget they were together  
All that time he was taking her for granted  
She wants to see if there's more  
Than he gave she's looking for  
He calls her up  
He's trippin' on the phone now  
He doesn't want her out there  
And alone now  
He knows she's movin' it  
Knows she's using it  
Now he's losing it, she don't care  
Everybody put up your hands  
Say I don't wanna be in love  
I don't wanna be in love  
Feel the beat now  
If you've got nothing left  
Say I don't wanna be in love  
I don't wanna be in love  
Back it up now  
You've got a reason to live  
Say I don't wanna be in love  
I don't wanna be in love  
Feelin' good now  
Don't be afraid to get down  
Say I don't wanna be in love  
I don't wanna be in love  
He was always giving her attention  
Looking hard to find the things she mentioned  
He was dedicated but most suckers hate it  
That girl was fine but she didn't appreciate him  
She calls him up  
She's trippin' on the phone now  
He had to get up  
And he ain't comin' home now  
He's tryin' to forget her  
That's how we come with him  
When he first met her  
When they first got together  
Everybody put up your hands

Say I don't wanna be in love  
I don't wanna be in love

Feel the beat now  
If you got nothing left  
Say I don't wanna be in love  
I don't wanna be in love

Back it up now  
You got a reason to live  
Say I don't wanna be in love  
I don't wanna be in love

Feelin' good now  
Don't be afraid to get down  
Say I don't wanna be in love  
I don't wanna be in love

To the beat, to the beat, to the beat

You got nothing to lose  
Don't be afraid to get down

We break up, it's something that we do now

Everyone has got to do it sometime

It's okay, let it go

Get out there and find someone

It's too late to be trippin' on the phone here

Get off the wire, know everything is good here

Stop what you're doin', you don't wanna ruin

The chance that you got to find a new one

Everybody put up your hands

Say I don't wanna be in love

I don't wanna be in love

Feel the beat now

If you got nothing left

Say I don't wanna be in love

I don't wanna be in love

Back it up now

You got a reason to live

Say I don't wanna be in love

I don't wanna be in love

Feelin' good now

Don't be afraid to get down

Say I don't wanna be in love

I don't wanna be in love

No, no

Now you know what to do

So come on, get up, girl
