

In

Simple Plan

OH OH OH

OH OH OH

OH OH OH

OH OH OH

OH OH OH

OH OH OH We've been wasting this time

Trying to play it safe

And try to cover up what

Our hearts want to say We've been hiding these words

We don't have to anymore

Cause we're standing still

Tell me what we're waiting for If you're in, I'm in

If you're down, I'm down

Do you want this too?

Cause I need it now

If you say the word

I'll erase your doubts

I can show you

I can show you That we don't have to be careful

If my cards are on the table

If you're in, I'm in

If you're down, I'm down

Let's do this

Let's do this

Right now I know that you're scared

But you don't have to be afraid

Cause I won't let you down

I'll be there at step of the way We've been keeping it quite

But I need to say it out loud

Cause it's about time

To let our voice calm down If you're in, I'm in

If you're down, I'm down

Do you want this too?

Cause I need it now

If you say the word

I'll erase your doubts

I can show you

I can show you That we don't have to be careful

If my cards are on the table

If you're in, I'm in
If you're down, I'm down
Let's do this
Let's do this
Right now So tell me why, tell me why
We wait so long
When we know, when we know
Where we belong If you're in, I'm in
If you're down, I'm down
Do you want this too?
Cause I need it now
If you say the word
I'll erase your doubts
I can show you
I can show you (I can show you) If you're in, I'm in
If you're down, I'm down
Do you want this too?
Cause I need it now (need it now)
If you say the word
I'll erase your doubts
I can show you
I can show you That we don't have to be careful
If my cards are on the table
If you're in, I'm in
If you're down, I'm down
Let's do this
Let's do this
Right now If you're in, I'm in (right now)
If you're down, I'm down
If you're in, I'm in
If you're down, I'm down Oh Oh Oh
Oh Oh Oh
