## Jose Carreras & Peter Maffay

Always lived my life alone  
Been searching for the place called home  
I know that I've been cold as ice  
Ignored the dreams, too many liesSomewhere deep inside  
Somewhere deep inside me  
I found the child I used to be  
And I know that it's not too late, never too late3 a.m.

The painted cow  
Hia!  
You ain't stoppin' us now  
Wonderful human beings  
Yeah! I am a Junglist soldierCome on! The rocket launcher stop ya  
It's not a bird, it's not a plane  
It must be Dave who's on the train  
Wanna wanna get'cha, gonna gonna get'cha

Tell them that I told ya  
YeahAlways lived my life alone  
Been searching for the place called home  
I know that I've been cold as ice  
Ignored the dreams, too many liesSomewhere deep inside  
Somewhere deep inside me  
I found the child I used to be

And I know that it's not too late, never too lateAlright  
Are you ready? It's not a game  
I chant so much, I turn you insane

Wanna wanna get'cha, gonna gonna get'cha

Messing up the area

YeahCome on

I am the freshman

Messing up the jam

Turning up the stereo

Join the caravan

Skippy, the rain won't comeSomewhere deep inside

Somewhere deep inside me

I found the child I used to be

And I know that it's not too late, never too late
