Amazing Love

Nitty Gritty Dirt Band

Amazing love so rich and rare
Amazing love beyond compare
A life so full of blessings and promises fulfilled
Be careful not to run and hide from this amazing loveOnce as a child I did not see
That all my deeds returned to me
But I have traveled miles and made a few mistakes
I've learned about forgiveness and found amazing loveEven though a mother guards her children
Still they stumble, fall and shed a tear
Lessons learned and healing hands upon them
Through the years, through the yearsWas a time when I was so alone and
Feeling that my life was incomplete
Oh, my heavy heart was barely beating
Down so deep, down so deepAmazing love now in my arms
Amazing love to call my own
A life so full of blessings and promises fulfilled
Be careful not to run and hide from this amazing loveAmazing love, amazing love, amazing love
