

Piece Of Me (JKAY Remix)

MK

When I look back to before
We were together
There was no pressure
No blame, just pleasure
We were young, you took my breath and
Filled your lungs up
I held my tongue in
Swept up all your poison You get high, act like
I need rescuing
You're walking on thin ice
You don't realise I'm alright tonight, live your life
You can keep that piece of me
I've come through, I'll prove, don't need you
It ain't how it used to be
You lost out, and now I've found

That I don't need that piece of me I've lost (You can keep that piece of me, yeah. You can keep that piece of me)
Falling into emptiness
I've forgotten my mind
Faithless tears that I cried
I lost my whole life
Everything to live for now
I've shed my old skin
I thought I'd give in
But loving isn't losing You get high, act like
I need rescuing
You're walking on thin ice
You don't realise I'm alright tonight, live your life
You can keep that piece of me
I've come through, I'll prove, don't need you
It ain't how it used to be
You lost out, and now I've found
That I don't need that piece of me I've lost I'm alright tonight, live your life
You can keep that piece of me
I've come through, I'll prove, don't need you
It ain't how it used to be
You lost out, and now I've found
That I don't need that piece of me I've lost (You can keep that piece of me, yeah. You can keep that piece of me)
Yeah you lost out, and now I've found You get high, act like
I need rescuing

You're walking on thin ice
You don't realiseI'm alright tonight, live your life
You can keep that piece of me
I've come through, I'll prove, don't need you
It ain't how it used to be
You lost out, and now I've found
That I don't need that piece of me I've lostI'm alright tonight, live your life
You can keep that piece of me
I've come through, I'll prove, don't need you
It ain't how it used to be
You lost out, and now I've found
That I don't need that piece of me I've lost
