International Colouring Contest

Stereolab

I'm so full of ideas and here's a good oneInto outer space with Lucia Pamela
The moon is the place where there's space for Lucia
Into outer space with Lucia Pamela
The moon is the place where there's place for LuciaBefore Armstrong took his steps she'd been there with friends
They took all instruments and recorded on the moon
Gathered variety of sound from where the air is differentI'm so full of ideas and here is a good one
Lucia has a dream, a dream that comes in color of
International colouring for your entry she's waiting
