3 Days (Nick Monaco's Retouch)

Rhye

I'm famished
So I'll eat your minerals
Like a rabid beast at a foolish feast
I'll steal your breath
Like a twisted thief with a mangled glove
It's just my nature I ruin loveStealing kisses in those misses within beats
Stealing kisses in those bloody sheets
I'm killing you
I'm killing youThere's a window in time
Three days to feel each other, crack this spine
It's gonna break cave in on itself
Love is terminal not built to last
Burn bright burn fastStealing kisses in those misses within beats
Stealing kisses in those bloody sheets
I'm killing you
I'm killing youSo many ways
So many waysWe got three days to feel each other, we got three days to sing this song
