Alabama High-test

Old Crow Medicine Show

Alabama high test got me in a big mess
Higher than a wild cat, runnin' from the wolf pack
They're gonna put me in the slammer
If they catch me with that Alabama high test
65 southbound cruisin' with a half-pound
Blue lights spinin' round, better put the hammer down
Dirt road Tennessee, ain't nobody stoppin' me
Short run, state line, gotta keep makin' time Alabama high test
Well, huff paint, cocaine, playin' chicken with a train
Smack dab, Meth lab, mellow out, rehab
Percocet, cigarette, I don't need no more of that
But gimmie some down home Dixie fried homegrown Alabama high test

Alabama high test, Alabama high test
Got me in a big mess, runnin' from the wolf pack
They're gonna put me in the slammer
If they catch me with that Alabama high test
Drug bust, disgust, plead with the circuit judge
Son don't be coy, send you up the river boy
Jump suit, chain gang, shackles on my feet and hand
Standin' on I-65 wishin' I was rolling by with Alabama high test
Alabama high test, Alabama high test
Got me in a big mess, higher than a wild cat
They're gonna put me in the slammer
If they catch me with that Alabama high test
