

I Am Foamy

Foamy the Squirrel

i am foamy you don't know me but youll obey
i do not trust you i don't belive a word you say
how could you say your right when you live a life so wrong
you contridict yourself so i'll wright another squirrel song again
you are so ugly so butt ugly why won't you die
i would like to stab you in the eye with a really hot french fry
you never shut up what the fucks up with you chosen path
you so stupid i hav to open up a can of squirrely whup ass
open up a can of squirrely whup ass (x2)
