

Feel the Love

Brown Floyd

Yeah when I'm tired and feeling betrayed
show me that you love me baby maybe I will stay
Show the love that you feel inside you're heart and do you feel the love that I feel for you
in you're heart of hearts do you feel it too cmon baby show me you love me cmon baby
show me you care
and do you feel the love that I feel for you in you're heart of hearts do you feel it too yeah our love is special you
know what I mean
and our love is just like a well oiled machine
and I know our love will always be there
so trust in our love baby and show you care
