

# Plan the Escape

## Bat for Lashes

Leave the wasting world behind us  
We will make it out alive  
Leave the waiting world behind us  
We will not give up this time

Hold on to our reasons  
And plan the escape  
Hold on to our reasons  
And plan the escape

Hold on to our reasons  
And plan the escape  
Hold on to our reasons  
And plan the escape
