

# Beautiful Pain

Eminem

[Intro: Eminem]

I can feel the heat rising  
Everything is on fire  
Today's a painful reminder of why  
We can only get brighter  
The further you put it behind ya  
And right now I'm on the inside  
Lookin out, cause[Hook: Sia]

I found her in the flames  
There's a beautiful kind of pain  
Setting fire to yesterday  
Find the light, find the light, find the lightI found her in the flames  
There's a beautiful kind of pain  
Setting fire to yesterday

Find the light, find the light, find the light[Verse 1]  
Yesterday was the tornado warning, today is like the morning after  
Your world is torn in half, you wake and let's wait to start the morning process  
Rebuilding and you're still a work in progress  
Today is a whole new chapter, it's like an enormous ass

The thunderstorm has passed ya, your weather didn't poke his eyes out with the thorn bush that you  
Used to smell the roses, stopped to inhale can't even tell your nose is stuffed  
So focused on the brightside, then you floor the gas pedal, and hit the corner fast, the more asserted, never  
looking back, may hit the curb, but everyday is a new learning curve, as you, steer through life, sometimes you  
might not wanna swerve, but you have to, to avert a disaster, lucky, no permanent damage, cause they hurt you  
so bad, it's like they murdered your ass, and threw dirt on your casket, but you returned from the ashes, and that  
hurt that you have, you just converted to gasoline, and while you're burning the past, standing at inferno and  
chant[Hook: Sia]

I found her in the flames  
There's a beautiful kind of pain  
Setting fire to yesterday  
Find the light, find the light, find the lightI found her in the flames  
There's a beautiful kind of pain  
Setting fire to yesterday

Find the light, find the light, find the light[Verse 2]  
So familiarize what having to swallow this pill is like  
It happens all the time, they take your heart and steal your life  
And it's as though you feel you've died because you've been killed inside  
But yet you're still alive which means you must survive  
Although today you may weep because you're weak and

Everything seems so bleak and hopeless  
The light that you're seeking, it begins to seep in  
That's the only thing keeping you from leaping off the motherfreaking deep end  
And I'm pulling for you to push through this feeling  
And with a little time that should do the healing  
And by tomorrow you may even feel so good that you're willing  
To forgive them even after all that shit you been put through  
This feeling of resilience is building and the flames are burning  
Quick as fire would through this building, you're sealed in  
But you're fireproof and flame retardant you withstood it  
And as you climb up to the roof you're just chillin and you look down  
Cause you're so over them you could put the heel of your foot through the ceiling  
As time passes, things change  
everyday

But wounds, wounds heal  
But scars still remaining the same  
But tomorrow today's gone down in flames  
Throw the match at the ? place  
So feel the fire beneath your feet  
As you barely even perspire from the heat  
Exhale deep and breathe a sigh of relief  
And as you say goodbye to the grief  
It's like watching the walls melt in your prison cell  
But you've extinguished this living hell  
Still a little piece of you dies, you scream[Hook: Sia]  
I found her in the flames  
There's a beautiful kind of pain  
Setting fire to yesterday  
Find the light, find the light, find the light  
I found her in the flames  
There's a beautiful kind of pain  
Setting fire to yesterday  
Find the light, find the light, find the light[Sia]  
Feel the burn, watch the smoke as I turn  
Rising, a phoenix from the flames  
Flame of love, we're going to fight the word, fight  
Now it feels with these wings that I will fly[Hook: Sia]  
I found her in the flames  
There's a beautiful kind of pain  
Setting fire to yesterday  
Find the light, find the light, find the light  
I found her in the flames  
There's a beautiful kind of pain  
Setting fire to yesterday  
Find the light, find the light, find the light
