I am Sorry

Gregory Isaacs

If I am wrong than I am sorry
I didn't mean to make her blue
If I am wrong than I am sorry
Deep in my heart I know it's true

I love her and I leave her
I swear to god I won't deceive her
It's only because I hate to see
my woman cry and so I didn't say goodbye

I will return real soon
and I will soothe your waking wounds
I don't care about me

Even though we're far apart
There's a place for you in my heart
And I'll return one day

I love her and I leave her
I swear to god I won't deceive her
It's only because I hate to see my woman cry
and so I didn't say goodbye

If I am wrong than I am sorry
I didn't mean to make her blue
If I am wrong than I am sorry
So sorry, deep in my heart
I know it's true

I'll return one day
I'll never go astray

I really need you woman
I'll see you soon
