What I NeedVerse 1: Girl I came to have fun

Got Me a pocket full of one's

Give Me that VIP, You Know What I mean

Party Room in the back

Then You can sit on my lap, Damnnn That Ass is fat

Then can get on your knees

Just, start with a little tease

You

know what I needPost Hook: Watching you making me so ready

I'm Powerless babe, The best part of my day

(2X)Hook: U can start, By stripping for me

Then can get on your knees

Just, start with a little tease

You

know what I needVerse 2: She got moves for days

I'm like a kid in a candy store

The temperature is rising, she is 44 live(2X)Hook: U can start, By stripping for me

Then can get on your knees

Just, start with a little tease

You

know what I needVerse 3: She working down the pole

So deep I can feel her soul, body is clenching on me

I'm throwing hundreds, I'm curling feet

Got a hand full of hair, Sweating like pigs

We don't care, its like a party

Double dose of naughty, 4 alarm fire for you

(2X)Hook: U can start, By stripping for me

Then can get on your knees

Just, start with a little tease

You

know what I needVerse 4: She got moves for days

I'm like a kid in a candy store

The temperature is rising, she is 44 live(4X)Hook: U can start, By stripping for me

Then can get on your knees

Just, start with a little tease

You

know what I needWritten By: Ashley Lovechild
