I Would Walk 500 Miles

Less Than Jake

When I wake up, yeah, I know I'm gonna be
I'm gonna be the man who wakes up next to you
And when I go out, yeah, I know I'm gonna be
I'm gonna be the man who goes along with youIf I get drunk yes I know I'm gonna be
I'm gonna be the man who gets drunk next to you
And if I haver yeah I know I'm gonna be
I'm gonna be the man who's havering to youBut I would walk 500 miles
And I would walk 500 more
Just to be the man who walked
A thousand miles to fall down at your doorWhen I'm working yes I know I'm gonna be
I'm gonna be the man who's working hard for you
And when the money comes in for the work I'll do
I'll pass almost every penny on to youAnd when I come home, yeah, I know I'm gonna be
I'm gonna be the man who comes back home to you
And if I grow old well I know I'm gonna be
I'm gonna be the man who's growing old with youBut I would walk 500 miles
And I would walk 500 more
Just to be the man who walked
A thousand miles to fall down at your doorYeah when I'm dreaming well I know I'm gonna dream
I'm gonna dream about the time when I'm with you
And when I wake up, yeah, I know I'm gonna be
I'm gonna be the man who wakes up next to youAnd when I go out, yeah, I know I'm gonna be
I'm gonna be the man who goes along with you
And when I come home yes I know I'm gonna be
I'm gonna be the man who comes back home to you
I'm gonna be the man who's coming home to youBut I would walk 500 miles
And I would walk 500 more
Just to be the man who walked
A thousand miles to fall down at your doorAnd I would walk 500 miles
And I would walk 500 more
Just to be the man who walked
A thousand miles to fall down at your door
I'll be at your door
