

In These Arms

Bon Jovi

You want commitment
Take a look into these eyes
They burn as fire, yeah
Until the end of time And I would do anything
I'd beg, I'd steal, I'd die
To have you in these arms tonight Baby, I want you
Like the roses want the rain
You know I need you
Like the poet needs the pain And I would give anything
My blood, my love, my life
If you were in these arms tonight I'd hold you, I'd need you
I'd get down on my knees for you
And make everything alright
If you were in these arms I'd love you, I'd please you
I'd tell you that I'll never leave you
And love you 'til the end of time
If you were in these arms tonight, oh yeah We stared at the sun
And we made a promise
A promise this world
Would never blind us And these were our words
Our words were our songs
Our songs are our prayers
These prayers keep me strong
And I still believe
If you were in these arms I'd hold you, I'd need you
I'd get down on my knees for you
And make everything alright
If you were in these arms I'd love you, I'd please you
I'd tell you that I'd never leave you
And love you 'til the end of time
If you were in these arms tonight Your clothes are still scattered all over our room
This whole place still smells like your cheap perfume
Everything here reminds me of you
There's nothing I wouldn't do And these were our words
They keep me strong, baby I'd hold you, I'd need you
I'd get down on my knees for you
And make everything alright
If you were in these arms I'd love you, I'd please you
I'd tell you that I'd never leave you

And love you 'til the end of time
If you were in these arms tonight If you were in these arms tonight
If you were in these arms tonight
If you were in these arms, baby Like the roses need the rain
Like the singles need to change
Like the poets need the pain
I need you in these arms tonight
If you were in these arms tonight
