Easy Company

Pinetop Seven

Across an ocean
Into oblivion
Into the [unverified]
Away from everyone, yeah

This baby's automatic
Come on, son, let's have it

Give me a gun
And I'll show you how to use it
Give me a gun
And I'll show you how to use it

Across an ocean
Into oblivion
Across an ocean
To fall

This baby's automatic
Come on, son, let's have it

Oh, give me a gun
And I'll show you how to use it
Give me a gun
And I'll show you how to use it

Across an ocean
Into oblivion
Across an ocean
To fall, to fall, to fall

Yeah
(Give me a gun
And I'll show you how to use it)
