Reflections

Leo Sayer

Through the mirror of my mind
Time after time
I see reflections of you and meReflections of
The way life used to be
Reflections of
The love you took from meOh, I'm all alone now
No love to shield me
Trapped in a world
That's a distorted realityHappiness you took from me
And left me all alone
With only memoriesThrough the mirror of my mind
Through all these tears that I'm crying
Reflects a hurt I can't control
Although you're gone
I keep holding on
To those happy times
Oh, girl when you were mineAs I peer through the windows
Of lost time
Keeping looking over my yesterdays
And all the love I gave all in vain
(All the love) All the love
That I've wasted
(All the tears) All the tears
That I've tasted
All in vainThrough the hollow of my tears
I see a dream that's lost
From the hurt baby
That you have causedEverywhere I turn
Seems like everything I see
Reflects a hurt I can't controlIn you I put
All my hope and trust
Right before my eyes
My whole world has turned to dustReflections of
The love you took from
Reflections of
The way life used to beIn you I put
All my hope and trust
Right before my eyes
My whole world has turned to dustNow baby, why did you do it?
