

# Liberation Frequency (Live at Coachella)

## Refused

It's coming through the air for all of us to hear  
Could it be the sounds of liberation or just the image of detention? We want the airwaves back, we want the  
airwaves back  
We don't just want airtime we want all the time all of the time  
We want the airwaves back, we want the airwaves back  
We want transmission for the people by the people What frequency are you getting  
Is it noise or sweet sweet music  
On what frequency will liberation be  
On what frequency will liberation be It's coming through the air for all of us to hear  
Could it be the sounds of liberation or just the image of detention  
Control my flower, business and news all ready to devour  
Who's in charge and what does he say  
Is he playing the alternative or does it sound the same old way
