

Every Promise

Earnest Pugh

(feat. Lalah Hathaway)

I won't let go, no, Ooh
No matter what comes, or go
My faith is strong in You,
and my heart is focused, on a goal, Ya
Yet sometimes I may fall down, But
Somehow you find a way to pick me up

Chorus:

You said that you'd never leave me
You promised you'll never forsake me,
So I'm standing on your word, Oh
It's the only thing I have, in

If tomorrow never comes, and
I don't remember yesterday,
I'll hold on to every promise you've made,
And if for some strange reason,
The wind forgot to blow,
One thing I know for sure
I'm holding on to every promise made,
Ya

Lalah Hathaway -

No I won't let go,
Even if it cost everything, I'll hold on
My faith is strong in You's,
And my heart is focused on the goal
Yes, sometimes I may fall down, But
You somehow find a way to pick me up

You said you would never leave me
You promised to never forsake me,
So, I'm standing on your word, Oh
It's the only thing I have, in

If tomorrow never comes, and
I can't remember yesterday,

Iâ€™ll hold on to every promise youâ€™ve made,
And if for some strange reason,
And the wind forgot to blow,
One thing I know for sure
Iâ€™m holding on to every promise made,

Earnest -
Yes, Iâ€™m holding on with my life, depends on it

Lala -
When everything is gone, itâ€™s the only thing I have

Earnest -
And if you said it I believe it, now I ready to receive

Oh, If tomorrow never comes, and
I donâ€™t remember yesterday,
Iâ€™ll hold on to every promise youâ€™ve made,
And if for some strange, reason
the winds forgot to blow,
One thing I know,
Iâ€™m holding on to every promise made,
No, I wonâ€™t let go, I wonâ€™t, No
