Thank You

Kavana

Everbody's going home,
It's again to say goodbye.
And I wanna say thank you for being there.
I know the time is getting late,
And I don't wanna keep you here.
The time has come over for me to show you
How much I really care
Freinds come and go,
But we've through it all together,
And time goes to show,
I wouldn't change a thing.
Another year has come around,
And I'm so lucky that I ever found ya,
Thank you, thank you, thank you baby (thank you baby).
And anyone that I've ever know,
Couldn't compare to the love that you've shown.
Thank you, thank you,thank you baby, (thank you baby).
Through the hard times,
You understood.
And without out you there
I never could have coped with my problems on my own.
The years have gone by so fast.
The memoriesi have will last,
Inside my heart for ever now.
And friends come and go,
But people like you are hard to find,
And timesjust goes to show,
I owe it all to you I always know,
How lucky I am to have you here beside me,
So before I go,
I wanna say thank you, thank you, thank you baby.
