

# Solid Ground

[Kevin Skinner](#)

Seems the higher I reach\*  
The further down I fall  
Days when I look in the mirror  
It seems nothing there at all  
Rain keeps falling and falling  
And flood water rising around  
I'll just lean on her  
She's my solid ground  
When she wakes me in the morning  
Sends me on my way  
And the goodbye kiss is just enough  
To get me through my day  
When the earth starts to shake  
Hard times are coming down  
I'll just lean on her  
She's my solid ground  
These days its hard to find  
A love that's really true  
Heaven only knows where I'd be  
If I lost you
