Anytime Anywhere

Gotthard

How does it feel, to be the one A heart of stone, a smile of steel You're talking nice, know how to charm You see the goods, but not the price I wonder You turn your back on poverty You got your high society Call up your friends, you know them all You're still immune to rise and fall Remember You're such a great pretender Anytime, anywhere I'll be watching you, all the things that you do Anytime, anywhere I'll be around, I'll be waiting for the moment you fail No shaking hands, get in the ring Those empty words don't mean a thing The time will come, it won't be late We're slipping through the hands of fate But remember You're such a great pretender Anytime, anywhere I'll be watching you, all the things that you do Anytime, anywhere I'll be around, I'll be waiting for the moment you fail Anytime, anywhere Oh, I'll be watching you, all the things that you do Anytime, anywhere I'll be around, I'll be waiting for the moment you fail I'll be waiting for the moment you fail
