

You're Gonna Leave (Acoustic)

[Stephen Marley](#)

Which way from here
I'm caught up in the pages of my mind
And it's not so clear
But it seems the hurt is way too much this time
Cause I see a vaine look in your eyes
Tell me, do you see the same, same look in mine
Sandpapper kisses, papercut bliss
Don't know what this is, but it all leads to this
You're gonna leave, her
You have deceived, her
Ooh just a girlNow here I go again
She said I'll break her heart againShe plays the fool again
She said I'll break the rules again
Though I disagree
She thinks she knows me more than me
It's so hard to see
What the voice keeps telling meOoh just a girl with featherweight curls
To expose all she knows you play like tease
Just a Girl with featherweight curls
To expose all she knows you play like tease
You're gonna leave, her
You have deceived, her
Ooh just a girl
